Internasjonale studieprogram

Sivilingeniør- og arkitektutdanning

- Sustainable Architecture - MSc
- Urban Ecological Planning - MSc
- Sustainable Urban Transition - MSc (Samarbeidsprogram - NST)
- Engineering and applied mathematics - MSc (Samarbeidsprogram - NST)
- Embedded computing systems - MSc (Samarbeidsprogram - EM)
- Electric power engineering - MSc
- Information systems - MSc
- Security and mobile computing systems - MSc (Samarbeidsprogram - EM)
- Telematics, Communication, network and network services - MSc
- Wind energy - MSc (Samarbeidsprogram - EM)
- Coastal and marine engineering and management - MSc (Samarbeidsprogram - EM)
- Geotechnics and geohazards - MSc
- Hydropower development - MSc
- Industrial ecology - MSc
- Marine technology - MSc
- Natural gas technology - MSc
- Petroleum engineering - MSc
- Petroleum geosciences - MSc
- Reliability, availability, maintainability and safety - MSc
- Supply Chain Excellence in Management and Engineering (Samarbeidsprogram E+)
- Sustainable energy, heat pumping processes and systems - MSc (Samarbeidsprogram - SJTU)
- Maritime engineering - MSc (Samarbeidsprogram - NST)
- Environmental engineering - MSc (Samarbeidsprogram - NST)
- Chemical engineering - MSc
- Innovative sustainable energy engineering - MSc (Samarbeidsprogram - NST)
- Light metals, silicon and ferroalloy production - MSc
- Physical metallurgy and downstream processing
- Medical technology - MSc
- Polymer Technology - MSc (Samarbeidsprogram - NST)
- Project management - MSc

Matematikk og naturfag

- Biology - MSc
- Biotechnology - MSc
- Environmental Toxicology and Chemistry - MSc
- Chemistry - MSc
- Physics - MSc
- Natural Resources Management - MSc
- Aquatic Food Production - MSc (Samarbeidsprogram - NMP)
- Mathematical Sciences - MSc
- Marine coastal development (med NT-fakultetet) - MSc

Medisin, helse- og sosialfag

- Exercise Physiology and Sport Science - MSc
- Molecular Science - MSc
- Neuro Science MSc

Samfunnsfag og psykologi

- Childhood Studies - MPhil
- Development Studies - MPhil
- Globalization, Politics and Culture - MSc
- Globalization - Global Production and Management - MSc

Språk og litteratur

- English Linguistics and Language Acquisition - MPhil
- Linguistics - MPhil

Estetiske fag, kunst- og musikkfag

- Master of Fine Arts
- Choreomundus (Samarbeidsprogram - EM)
- Nordic Master in Dance Studies (Samarbeidsprogram - NMP)

Fakultet

- Naturvitenskap og teknologi
- Informasjonsteknologi, matematikk og elektroteknikk
- Ingeniørvitenskap og teknologi
- Samfunnsvitenskap og teknologiledelse
- Det humanistiske fakultet
- Det medisinske fakultet
- Arkitektur og billedkunst
- Sivilingeniørutdanning
