

Follow the steps described in this guide to create a reservation in Bookitlab:

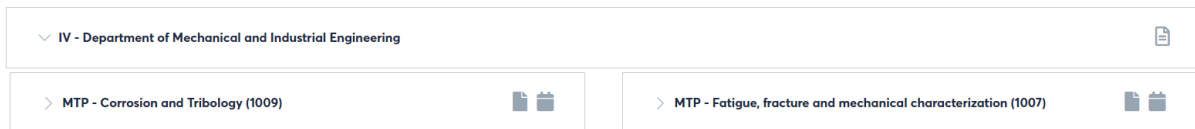

1) Enter Bookitlab with your Feide account:

<https://core.bookitlab.com/ntnu/Login.aspx?ReturnUrl=%2fntnu>

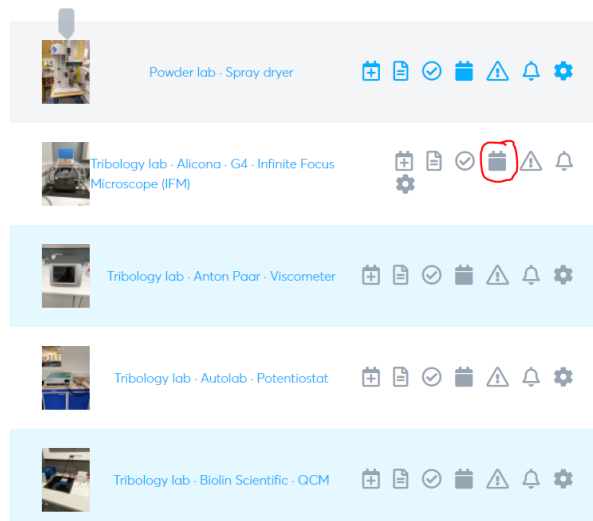

2) Look for and select “IV-Department of Mechanical and Industrial Engineering” :

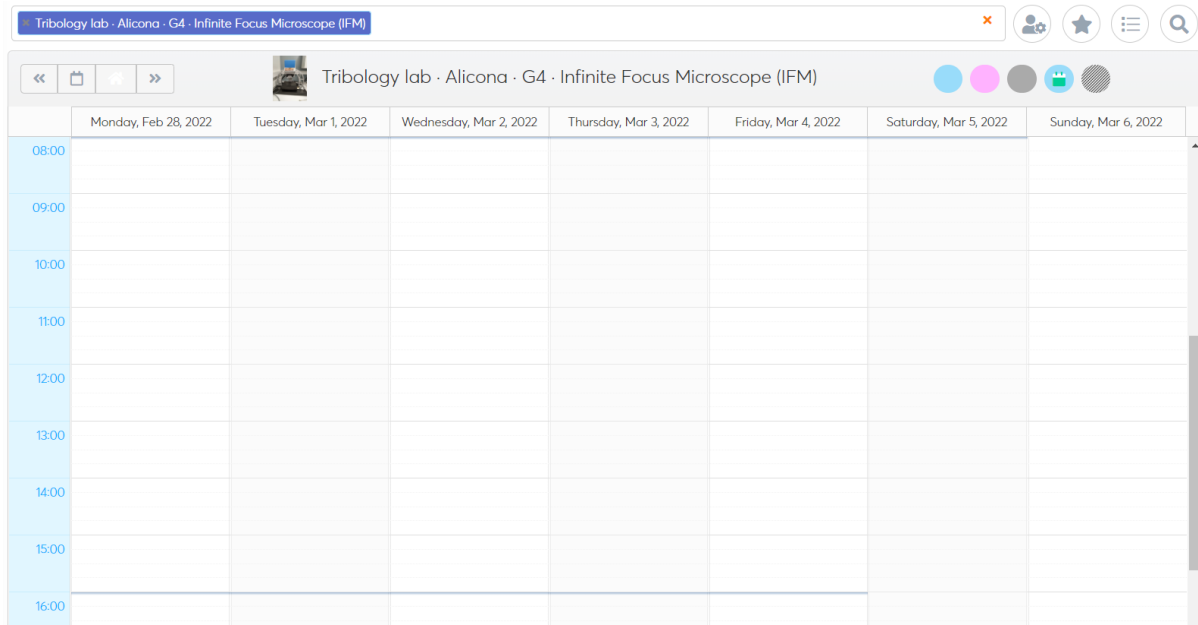

3) Select “MTP – Corrosion and Tribology (1009)”:

4) Book the desired instrument by selecting the corresponding calendar. For example, the IFM:

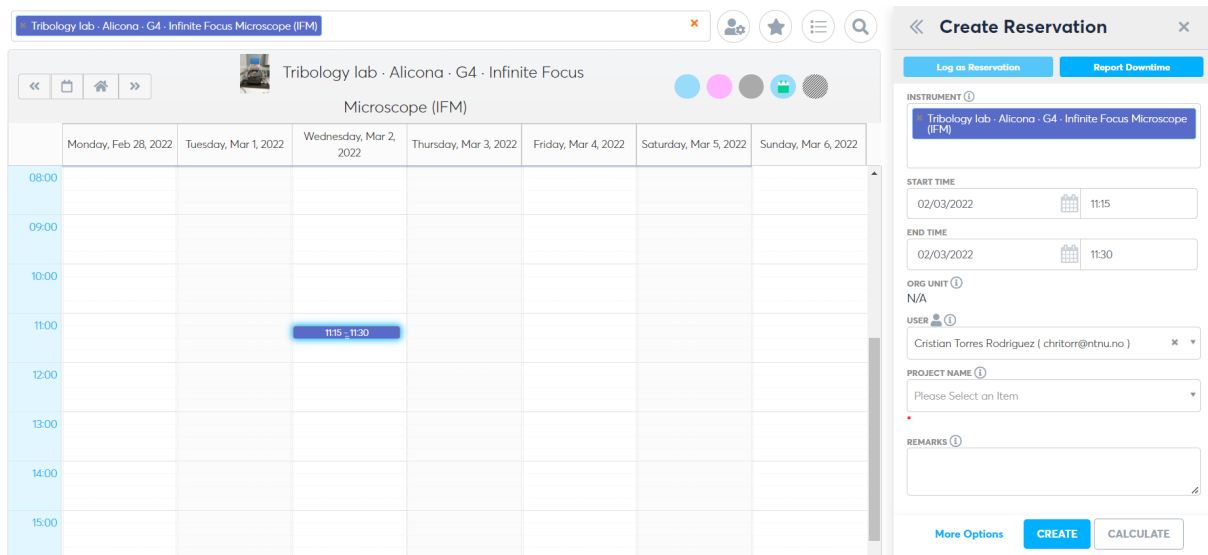

- 5) The booking calendar for the selected instrument will open. Select the desired day and time of the booking:

- 6) Fill up the reservation information:

1. Check that your project appears in the field "project name". If not, send me an e-mail with your project name and number so that I can ask NTNU to introduce it in the system. Without project number, it is not possible to make a reservation.

2. Try to complete the reservation by clicking "create reservation". Let me know if the reservation was successful. If an error message appeared, take a screenshot and send it to me so that I can try to solve the issue.
